Re: Services

To Whom It May Concern:

I am writing this letter to commend your company on the outstanding work you do for our business. Customer service is wonderful to work with, they are always so friendly and willing to help. If, for any reason, they do not have the answer I need they find out and call me back promptly.

I would recommend your company to anyone who is looking for a fantastic collection agency, to send bad debts to.

Thanks for all that you do.

Sincerely,

Gail D. Boutin, CMA
Office Manager
