BABINEAUX

To Whom It May Concern:

When I began working for Dr. Todd Babineaux in July of 2007, I was told by the girl training me that she used LRS as her collection agency. I was so excited because I had been in a medical office years before that used LRS also. We always had good results with them back then & I am completely satisfied with the excellent service we get with them now & so is Dr. Babineaux.

I would highly recommend this collection agency to anyone needing this type of service. We are always treated with respect & courteous assistance.

Sincerely,

Renee Norris
